*Investors are encouraged to consider the investment objectives, risks, and charges and expenses of an investment company carefully before investing in that company. A prospectus is available from mutual funds that contains that and other more complete, important information. Please carefully read the prospectus for any fund you are considering. You may receive a prospectus from the fund or from your financial representative.*

<sup>^</sup> Companies may violate more than one screen, those companies will be counted more than once, resulting in the calculated summary total value exceeding 100%. Therefore, the percentages of each subcategory should not be added together.
